Check the weather forecast ahead of time.
- In case of inclement weather on the passes we may shorten or cancel the event. That information will be posted no later than 7am at the start.

- This is a no support race, carry your own items. No sag vehicles are allowed.**

Aid Stations and Porta Potties

- There are aid stations at The bottom of Shalona Hill (10 miles north), Haviland Lake, (approx 16 miles north) These stations have liquids and food items. Do not rely solely on the aid stations, especially if you have certain dietary needs. Take a supply of items on your own. We do not provide mechanical support. Please bring your own repair provisions
- There are porta potties at the bottom of Shalona, Haviland Lake and Purgatory finish line.
